Post Nuptial Reception

An especial charm and interest always cling to any function given in a bride's honor and the post nuptial tea given last Saturday afternoon from four to six by Mrs. S. M. Angus to meet the charming bride of her younger son, Fred Brander Angus, proved no exception. Throughout the hours of reception the rooms and vine-embowered janais were thronged with guests whose dainty afternoon toilettes against the effective background of palms and ferns added a most picturesque touch.

During the afternoon a native quintette club stationed on the land furnished delightful music, which formed a pleasant accompaniment to the hours of conversation. Receiving with Mrs. Angus and the guest of honor was Mrs. George Angus. Assisting in introducing the guests were the hostesses' daughters, Miss Angus, Miss Jean and Ethel Angus, while other unbonneted women assisting about the rooms were Mrs. Emil Waterman, Mrs. C. B. Hish, Mrs. J. W. Jones, Mrs. George Kluegel, Mrs. Harry Corbett, and Mrs. Walter Emory.

A collation was served throughout the afternoon at small tables disposed on the land and in the refreshment room, the young women assisting in serving being Misses Violet Damon, Hazel Hoffman, Nina Adams, Constance Restarick, Ella Wight, Mollie Grace, May Kluegel, Anna Johnson and Edith Ewart. Crimson carnations in slender crystal vases graced each table. In the refreshment room potted maiden-hair ferns and red carnations banded the book shelves and were placed about the rooms, while potted palms and ferns were attractively disposed about the lanais and corridor. Hanging woodland baskets of delicate maiden-hair ferns swung from the French windows and added to the charming effect. Large American and Hawaiian flags draped across one end of the land added a touch of bright color. In the reception room the decorations were of the simplest, a few long stemmed roses in silver and crystal vases and some greenery arranged in Japanese fashion being used.

A large number of women called during the afternoon to meet the guest of honor, who made a beautiful picture in her girlish bridal frock of white lace with its garniture of rare old Duchess and rose point lace. Her jewels were pearls and amethysts. The guest list for the afternoon comprised: Mesdames J. B. Atherton, C. H. Atherton, K. Auerbach, R. L. Auerbach, F. E. Blake, W. A. Bowen, W. E. Walluku, Maui, Nov. 2.—The garden party given last Saturday afternoon at Mrs. J. H. Raymond's for the benefit of the Protestant Episcopal church building fund was one of the most successful church affairs this year. Mrs. Raymond had charge of the whole affair and with her were the following ladies: Fanny Booth—Mrs. W. A. McKay, Mrs. J. N. S. Williams and Mrs. Win Ault.

Candy and Lemonade—Mrs. C. D. Lufkin and Mrs. R. A. Wadsworth. Refreshments—Mrs. Tom Cummings, Miss Nancy Cummings, Mrs. E. Cederlof, Miss J. Hansen, Misses Daniels and a bevy of young ladies clad in most attractive raiment. The refreshment table, under the general supervision of Mrs. Raymond with her able assistants, netted \$56, while the fancy tables cleared nearly \$200. The total receipts amounted to a little over \$250.

Rev. Wm. Ault was ticket agent while young Harvey Raymond guarded the gates like a veteran sentinel that not even the most bewitching young damsel passed within the gates without paying admission. This affair was so very successful that the ladies who so gallantly worked hard for the benefit of the church may be again induced to give another sale of fancy articles about next Christmas.

CAMPAIGNING BY AUTO

HALF AROUND HAWAII

Kamuela, Hawaii, Nov. 8.—Candidates for election did not do things by halves in their efforts to get votes on Hawaii. Eben Low, James Lewis and Sam Pua patronized the automobile recently placed in the passenger service in Waimea, and made a record trip half round the island of Hawaii. Leaving Huehue, Mr. Maguire's ranch in Kona, at 10 a. m. Sunday, they reached Waimea at 2 p. m. After refreshments had been served, the journey was resumed at 4:30 for Honokaa, reaching this place at 7:15.

At 7:30 a fresh start was made which landed the party in Laupahoehoe at 10:30.

The party put up at Mr. Harry Richards for the night. Next morning a start was made for Hilo, and meetings at three different places on the road Hilo was reached at 4 p. m.

Mr. Low addressed a meeting in the Hilo Armory at 8 p. m., after which he made a start for the return journey with Mr. Vredenburg as chauffeur.

Laupahoehoe was reached at 12:30 p. m., Honokaa at 4:30 a. m. and Waimea at 7:15 a. m., accomplishing the record automobile journey for the island, of 190 miles without a single mishap. The machine was a 9 horsepower single cylinder Cadillac and Mr. Vredenburg was chauffeur for the entire journey. There is no doubt that a reliable transportation of this kind will be greatly appreciated by the traveling public.

SAD TALE OF LITTLE BILL.

The doctor said to diet him
On barley, gruel and eggs.
Now note the strange result it had—
No run to feet and legs.

He had to change his diet, then
Prescribed he milk and bread.
That served to alter things a bit—
They all went to his head.

"This is the strangest case I have,
There's something underneath."
Three weeks went by and little Bill
Was legs, feet, eyes and teeth.

METCALF IN CONFERENCE

WITH EDUCATION OFFICERS

PRESIDENT OF BOARD SAYS JAPANESE SITUATION HAS BEEN CREATED BY AN ACT OF THE LEGISLATURE

San Francisco, Nov. 2.—"The Board of Education will not recede from the position which it has taken. Its decision is final. This action was made for the best interests of the school children of San Francisco. If there is a violation of the treaty rights between two governments the fault is not ours; it is with the Legislature which passed the law."—Statement of President A. Altmann of the Board of Education.

"I am here as the personal representative of the Government. A grave question is involved. I am not prepared to say what action will be taken. We will go into the question and make a thorough investigation."—Statement of Secretary Metcalf, of the Department of Commerce and Labor. Secretary Victor H. Metcalf, of the Department of Commerce and Labor, is in San Francisco, to investigate personally, into the action of the Board of Education in excluding children of Japanese parentage from the general schools of this city. The Board bases its action on a statute passed by the Legislature some years ago by which it is given the privilege of placing all children of Mongolian descent in a separate school. This it has done and the school has been established at Clay and Powell streets.

This action on the part of the Board is claimed is a violation of treaty rights existing between the United States and Japan. Secretary Metcalf has come all the way from Washington to make a personal investigation. The first conference was held yesterday afternoon between the Secretary and President Altmann, of the Board of Education, in the room of United States District Attorney Robert T. Devlin, in the new postoffice building. The situation was canvassed in a general sort of way and Secretary Metcalf was advised officially of the action taken by the Board. William T. Baggett, assistant city attorney, was there in an advisory capacity.

No conclusion was reached, but because of the gravity of the situation a full and searching investigation will be made. President Altmann, representing the Board, says he will give Secretary Metcalf all the data in his possession, and the latter has announced that he will make a thorough investigation and will conduct all inquiries from the Federal building.
